

## Friendship Beach Resort & Atmanjai Wellness Spa

### Directions to Friendship Beach

Regarding transportation: we are a small resort and do not offer taxi service. We can send a van or taxi for you but if your plane is late you may be charged waiting time. The best option and least expensive way is to arrange a van or taxi at the taxi/transportation desk INSIDE the airport immediately outside the baggage area.

The cost for the 1 hour drive is usually approximately 1,000 baht depending on your negotiations. Tell the driver you want to go to Rawai. We are located 2.6 kilometers south of Chalong Circle (between Chalong Circle and Rawai) on the left (ocean side) of the road.

If you have problems, ask the driver to call 076 613 580 This is the Resort's phone number.
